## REPORT.

THE Selectmen, to enable the citizens to judge of the Expenditures of the Town, for the year ending with the 31st of March, have classified the disbursements, and submit the following as the Expenses of the past year, and the present condition of the Treasury.

### SETTLEMENT WITH THE TREASURER.

LEXINGTON, MARCH 26, 1863.

The Selectmen have this day settled with Charles Nunn, Town Treasurer for the past year, and find that he charges himself with receipts as follows :

Balance on hand, April 1, 1862, . . .	\$ 2,458 59
Loans for Bounties, &c. . . . .	10,650 00
Receipts from Collector for 1861, . . .	864 21

“ “ the State for aid to soldiers’ families, . . . .	603 39
“ “ School Fund, . . . .	78 36
“ “ Hay-scales and other sources, . . .	65 28
	<hr/> \$ 29,520 72

And credits himself with the following disbursements :

Paid on Town Orders, . . . . .	\$ 18,573 44
Interest on Notes, . . . . .	892 84
On Notes taken up, . . . . .	2,500 00

County Tax, . . . . .	1,494 06
	<hr/> \$ 27,096 34

Leaving a balance of . . . . . \$ 2,424 38

The discrepancy between the Treasurer’s account and the Selectmen’s, arises from the fact that orders drawn by the Selectmen are frequently not presented to the Treasurer till some time after their date. Consequently, an order drawn at or near the close of the fiscal year, may not be presented till after the commencement of the next year.
